Puffin Web Browser is free to download from the Google Play Store but requires a paid subscription for unlimited use. A free evaluation is available for users to try out before subscribing to the service. This free evaluation is ad-sponsored and limited to one hour of usage per day. Only during the free evaluation period ads will be served and quotas enforced. Wicked Fast: With our cloud servers handling even the most resource-demanding web pages effortlessly, websites can load at incredible speeds. Cloud Protection: All Internet traffic from the app to our servers are end-to-end encrypted, therefore making it safe to use public, non-secure WiFi. Flash Support: We constantly provide improvements to our servers, and the ability to view Flash content through the cloud. Data Savings: Puffin uses a proprietary compression algorithm to transmit web data to your device, and can save up to 90% of your bandwidth on regular web browsing. (Please note that streaming Flash content or videos requires more bandwidth than the normal usage.) Features: • Unparalleled loading speeds • Fastest JavaScript engine • Ad Blocker Included • Mobile & Desktop modes for full web experience • Download to cloud capabilities (up to 1GB in size per file) • Theater mode for Flash videos and games • Virtual Trackpad & Gamepad • Adobe Flash Support ===== In-App Purchases ===== * \$1 per month for Puffin Monthly Subscription * \$10 per year for Puffin Yearly Subscription ===== Limitations ===== • Puffin's servers are located in the US and Singapore. Geolocation restrictions of content may occur if you are based in other countries. • Puffin is blocked in certain regions (e.g., China, Saudi Arabia, United Arab Emirates) and some educational institutions (e.g., select schools within the United States).
